A killer so savage and sly that the brutal frenzy of his crimes makes an unassailable insanity defense.

Such is the opponent facing Tony Fraser, a young district attorney willing to risk anything and everything for a sentence of death. Plotted against by court psychiatrists, tormented by vanishing evidence and fugitive witnesses—with even his own wife a target—Fraser finds himself checkmated by the accused until he seizes an opportunity to go beyond the letter of the law.

To experience the final, stunning climax of *Rampage* is to thrill to the tensions of a high-stakes capital case, to go behind the scenes of our justice system, and to find a dark and terrifying clockwork there.

Adapted into a motion picture by director William Friedkin (“The Exorcist,” “The French Connection,” and “Killer Joe”).
